Dear Whitchurch Primary School,

You may have already received a letter from our Head Office, assuring you that your recent donation was safely banked - however I wanted to write a more personal letter to say a huge thank you for supporting Muscular Dystrophy UK and Smile with Shiv.

It is amazing to receive such a kind and generous donation of £747.86 from Whitchurch Primary School. The money you have raised will be helping to fund research into Duchenne muscular dystrophy through our Duchenne Research Breakthrough Fund which is always looking to find effective treatments and hopefully a cure. It really is amazing to see a school support one of their families as you have with the Thakrars.

Thank you also for allowing me and Mr and Mrs Thakrar the time to present and hopefully inform the children about muscular dystrophy. The children were wonderfully behaved and it was a pleasure to see them so engaged. I hope it was useful for both them and their teachers in helping to understand Shiv's condition a little better.

As a small token of our thanks, please find enclosed a certificate for you to display in the school.

Please do pass on my heartfelt thanks to everyone who was involved in helping to fundraise for Muscular Dystrophy UK and Smile with Shiv.

Many thanks once again,

Millie Hinton
