

Quality of Education (Priority 1): Curriculum

Evaluate and enrich the Whitchurch curriculum offer focusing on implementation and impact to ensure pupils are able to know more and remember more in all subject areas.

Quality of Education (Priority 2): Inclusion

Evaluate and improve early intervention strategies within quality first teaching, supporting pupils and families with EAL or additional needs.

Quality of Early Years Education & Pre-school Offer (Priority 3)

Improve the quality and consistency of learning in all areas of EYFS by establishing an outcome driven partnership with families which includes a review of the pre-school extended offer.

Key Priorities
2022-24**

Leadership and Management (Priority 4): Leadership Structures and Accountability

Research and review options for wider strategic leadership across Harrow, alongside the continued development of distributed leadership and accountability at all levels.

Stakeholder Wellbeing (Priority 5)

Mental health awareness embeds a culture of wellbeing, promoting positive relationships across the community.

Core Outcomes (Priority 6): Academic Core Offer and Impact

Expectations and outcomes in English and Maths are driven by high quality teaching which is focused on the continual extension of learning outcomes beyond 'expected'.
